EPA is committed to working closely with response agencies and state and local officials to ensure the safety of citizens, respond to concerns and to evaluate impact to water contaminated by the Gold King Mine Release. EPA is sharing information as quickly as possible with the public as experts work to evaluate any effects the spill may have on drinking water, public health, agriculture, fish and wildlife.

Please see our website for the latest information: <http://www2.epa.gov/region8/gold-king-mine-release-emergency-response>

Regular updates will be posted as they are available.

**Subject:** Interview Request - Fox News Channel Today

Good morning Shaun –

Fox News Channel's "Happening Now" is interested in having you join us for a live on-air phone interview at 1:20pmET/11:20amMT today to discuss the Anima River spill.

This would be about 3-5 minutes long and Jenna Lee would anchor.

Please get back to me with your interest and availability at your earliest convenience.

Thanks!

**Joanna Hill**
